Dear colleagues,

We cordially invite you to Euroson 2020 taking place in Bergen, the gateway to the fjords and mountains of Norway. Bergen is a historic city beautifully located along the western coastline with a pulsating harbor surrounded by 7 mountains.

The venue of the congress is Grieghallen, named after Norway's famous composer Edvard Grieg, who was born and lived in Bergen. The congress is organized by the National Centre for Ultrasound in Gastroenterology and Norwegian Society for Diagnostic Ultrasound (NFUD), and this event will be NFUD's 44th conference.

Welcome to the 32nd Euroson Congress in Bergen, 11 - 13 June, 2020

Visit euroson2020.org for more information.
