

**CORRECTION****Correction: Lithium Therapy in Old Age: Recommendations from a Delphi Survey**

Christl J, Müller-Oerlinghausen B, Bauer M et al. Lithium Therapy in Old Age: Recommendations from a Delphi Survey. *Pharmacopsychiatry* 2023 DOI: 10.1055/a-2117-5200.

In the above-mentioned article, the 8<sup>th</sup> Citation, as well as the sentence which refers to it has been corrected. Correct is:

“In a randomized controlled trial, Li was the more effective treatment option for therapy-resistant major depression compared to the monoamine oxidase inhibitor phenelzine. [8]”

[8] Kok RM, Vink D, Heeren TJ et al. Lithium augmentation compared with phenelzine in treatment-resistant depression in the elderly: an open, randomized controlled trial. *J Clin Psychiatry* 2007; 68:1177-85 DOI: 10.4088/jcp.v68n080.3

This was corrected in the online version on August 29, 2023.
