

Erratum

In the Short Communication of *L. Heding*: „The Production of Glucagon Antibodies to Rabbits”, *Horm. Metab. Res.* 1: 87–88 (1969), some mistakes are to be corrected:

In paragraph 2 the correct text of lines 8 through 12 reads:

„was prepared as follows: 100 mg cetyl-trimethyl ammonium bromide was dissolved in 10 ml of distilled water together with 100 mg of pork glucagon, 3 ng 125-I-glucagon was added as tracer. 600 mg of 1-ethyl-3-(3-dimethylaminopropyl)-carbodiimide hydrochloride was dissolved in . . . ”
