## **Erratum**

## Reactions of Unsaturated Azides; Part 27: Synthesis of 1,4-Diazidobuta-1,3-dienes

Klaus Banert,\* Frank Köhler, Antje Melzer, Ingolf Scharf, Gerd Rheinwald, Tobias Rüffer, Heinrich Lang *Synthesis* **2011**, 1561.

In Scheme 1, two extra H atoms appeared on the general structure for bi-2*H*-azirin-2-yls **2**. The correct scheme is shown here.
