Happy 50th anniversary SYNTHESIS.
Congratulations on 50 years of important
contributions to organic chemistry.
Wishing you continued success in the future.

We congratulate SYNTHESIS
to its 50th anniversary!
Over the years we have been
regaled with fascinating
and sometimes astonishing
preparative strategies.
Continue to prosper as in
the past!

Dear SYNTHESIS-team,
many congratulations to the
50th anniversary of
SYNTHESIS (!!),
a journal which accompanies
me since my student time as
an inspiring source of exciting
synthetic organic chemistry.
It's everytime a pleasure to
read and publish therein!

Dear Members of the SYNTHESIS Team,

Happy Birthday
on the occasion of the 50th anniversary
of SYNTHESIS. It is a great pleasure
for us to contribute to the
GOLDEN SYNTHESIS Anniversary Special Issue.
All the best for the future,
Yours

Happy 50th Birthday!

My first Synthesis communication appeared in 1973 (pp. 215-6) and favorite papers on O-silylated ketene acetals in 1981-2 (1981, pp. 451-2 and 1982, pp. 1089-91).

All the best for the future of Synthesis.

The Golden Anniversary for SYNTHESIS is actually the celebration of enthusiasm, constant rejuvenation, trust, commitment and tenacity. The order of these ingredients may change over time, but the high standards of quality and competence remain constant.
