

Our Association and Ourselves

By now, most of you are aware that the summer conference of the Association of Plastic Surgeons of India is going to be held at Jaipur from the 3rd to 5th September, 1971.

Apart from the exotic tourist attractions of Rajasthan, the organisers are doing their best to make the conference a success.

We expect all our members with their ladies to attend the conference at Jaipur.

Our enterprising secretary Dr. Suresh Gupta informs that railway concession will be available for members. It should be possible now, for more members to travel.
